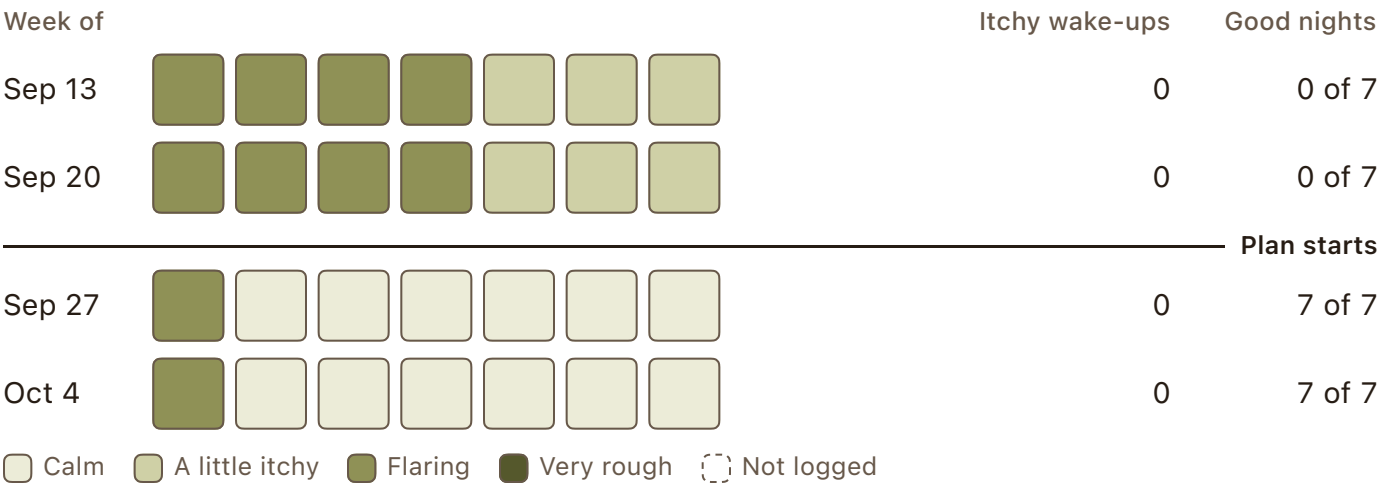
Cal’s skin, Sep 13 – Oct 10

Age 3 · 4 weeks, logged by Matt

Calmer since the plan started Sep 27: flaring days went from 4 a week to 1.

Skin, day by day



Following the plan

Moisturizer Morning and bedtime	26 of 28
Vitamin D3 drops once a day	1.0× a day

Not started yet: Probiotic powder

Notes from home

- ☐ Oct 6 Red patch behind the knees after the park.
- ☐ Oct 2 Slept through for the first time in weeks.

Questions for the visit

Can we stop the oil at bedtime now that the knees are calm?
Is it OK to try eggs again?
